

**Concrete Promotion Council of the Ozarks
Presents
History of Manufactured Sand in Missouri
Speaker
Brett Trautman, P.E., MoDOT
Physical Laboratory Director
Construction and Materials Division**

**August 22, 2019
11:30 am to 1:30 pm
At The Frisco Building
3253 E. Chestnut Expressway, Springfield, MO 65802**

Join us for lunch and learn about alternative sand usage:

- **Learn about MoDOT's proposed specification change to allow the use of manufactured sand, produced from limestone and dolomite, in concrete driving surfaces**
- **Learn the history and purpose of MoDOT's sand classification system**
- **Learn about the evolution of MoDOT's manufactured sand specification**
- **Learn what MoDOT is doing to ensure durable aggregates are approved for use in concrete**

Who Should Attend: Architects, Engineers, Contractors, Developers, Business Owners, City Officials

Cost to Participants: \$15/Members \$20/Non-members

Continuing Education Credits: 1 PDH
