

# Concrete Promotion Council of the Ozarks

Presents  
**Golf at Porto Cima  
and  
What, Why & How  
The Benefits of Using Light-weight Aggregate for Internal Curing**  
Speaker  
Corey Coffelt, Technical Sales, Buildex

March 24, 2020  
9:30 am  
The Club at Porto Cima  
133 Club House Dr., Sunrise Beach, MO 65079

Be our guest for lunch sponsored by BuildexHaydite and a short presentation about the benefits of using light-weight aggregate for internal curing. Presentation topics are extended lifecycle vs traditional cost, maintenance and disruptions.

**Schedule:**

**9:30 Check-in**

**10:00 Brunch with Buildex Presentation on Internal Curing**

**11:00 Tee Times**

**18 holes of golf will follow the presentation with tee time starting at noon.**

**Golf Cost to Participants: \$80/Person                      \$40/State or City Official**
