

Concrete Promotion Council of the Ozarks

Presents

Hot and Cold Weather Concrete, Curing and Sealing

Speaker

Oliver Dreher

Euclid Chemical

September 21, 2023

11:30 - 1:00

Bambinos Cafe at 2810 E Battlefield Rd, Springfield, MO 65804

Join us for lunch and learn the best curing and sealing for concrete in hot and cold weather.

Learning Objectives:

- Why curing
- Choosing the best application for curing concrete depending on the weather
- Temperature considerations for products
- Future use of interior or exterior concrete
- Differentiate between curing, and curing and sealing
- What is best for concrete post placement

Q &A will be encouraged!

Who should attend: Architects, Engineers, Contractors, Developers, Building Owners, Product Manufacturers and City Officials

Cost to participants: \$25 Member \$30 Non-member

Continuing Education Credit: There is one PDH available for this presentation
