May 21, 2024  
11:30 am - 1:00 pm  
The Pitch Pizza & Pub  
2924 E. Sunshine St, Springfield, MO 65804**

Join us for lunch and learn about troubleshooting concrete issues.

**Learning Objectives:**

Why did my concrete crack?

Why is the surface of my concrete sidewalk deteriorating?

Why is my concrete driveway a different color than my neighbors?

If you have been asked these questions or if you have some questions of your own, please join us for lunch on May 21st. Rusty will share his experience and discuss common concrete issues, offer potential solutions, and focus on best practices to prevent problems and provide solutions.

**Who should attend:** Architects, Engineers, Contractors, Developers, Building Owners, Product Manufacturers and City Officials

**Cost to participants:** \$25 Member \$30 Non-member

**Continuing Education Credit:** There is one PDH available for this presentation
