

**Concrete Promotion Council of the Ozarks
Presents
The Use of Fly Ash in Concrete
Sponsored by ECO Material Technologies
Speaker
Doug S. Rhodes
Director of Lab Services
ECO Material Technologies
September 17, 2024
11:30-1:00
Pasta Express
3025 W. Republic Road, Springfield, MO 65807**

ECO Material Technologies wants you to be their guest for lunch and learn about the use of Fly Ash in concrete.

Doug will cover the following in his presentation:

- current production of Fly Ash quality and volumes
- Update harvesting of impounded or ponded ash
- Performance difference in ponded material
- High performance ultra fine as
- natural pozzolan / alternative SCM

Who should attend: Architects, Engineers, Contractors, Developers, Building Owners, Product Manufacturers and City Officials

Cost to participants: ECO Material Technologies is sponsoring this, so there is no charge.

Continuing Education Credit: There is one PDH available for this presentation
