

**Concrete Promotion Council of the Ozarks
Presents
Finishing Modern Concrete Materials
Speaker
Megan Dangel, P.E., LEED AP
Technical Services Engineer
Central Plains Cement Company
May 14, 2025
11:30 am - 1:00 pm
Bambinos Café
2810 E. Battlefield Road, Suite D, Springfield, MO 65804**

Join us for lunch and learn about finishing modern concrete materials.

Learning Objectives:

- Addressing why concrete with PLC appear to be more sensitive to placing and finishing techniques
- Will provide practical information on underlying chemistry within concrete
- The mechanisms behind scaling/spalling
- The best practices for minimizing issues

Who should attend: Architects, Engineers, Contractors, Developers, Building Owners, Product Manufacturers and City Officials

Cost to participants: \$25 Member \$40 Non-member

Continuing Education Credit: There is one PDH available for this presentation
